

# CHANGING LIVES

## WITH IMPLANT RETAINED FULL ARCH DENTISTRY.

Why we do it.

Dr. Bruce Smoler will share why he has made implant supported full arch dentistry the center of his practice. He will share the systems and processes he has put in place in order to serve a growing patient demographic and gain tremendous satisfaction in doing so. Attendees will leave with an understanding of a turn key approach to provide full arch restorations to the clinicians they serve.
